

SUNSHINE ENRICHMENT CENTER

Our Day Habilitation program is designed for individuals aged 18 and older with developmental disabilities, offering opportunities to learn essential life skills and participate in activities that support physical, social, and emotional well-being. Participants are encouraged to make individualized choices and work toward personal goals with minimal staff assistance, guided by input from themselves, their guardians, and support staff. Our dedicated team engages consumers through life skills training, games, crafts, karaoke, field trips, movies, and playground activities, creating a stimulating and supportive environment. Our program operates Monday-Friday from 8:00am to 3:00pm.
