

JOB DEVELOPMENT

Our Job Development program is a personalized support service that helps individuals with disabilities obtain competitive, integrated employment. This program is guided by the individual's goals and needs as outlined in their ISP and is designed to promote independence, community inclusion, and fair employment.

Supports include, but are not limited to:

- ✓ Get to Know You: home visits, routines, likes/dislikes, boundaries, preferences, interest inventories
- ✓ Community: job shadowing/trial, job/task analysis, employer meetings
- ✓ Prep: application support, job interview support, mock interviews, resume & portfolio development
- ✓ Outcomes: experience summaries, job/task analysis, written career profile
